

Fall Design Report

Fall 2007

Due: Friday 11/30/2007

Note: project notebook also due

Table of Contents

All sections should be **updated** so that they are (1) corrected based on previous feedback, and (2) descriptive of the current form of the project. They should be internally consistent as well (in terms of content and formatting.) Be sure to include page numbers in the document itself. New items (not previously submitted this quarter) are italicized below but need not be italicized in the document.
